

PRODUCTS SUITABLE FOR ALL TYPES OF MANUFACTURERS – MEAT PROCESSORS, BAKERIES, BISCUITS, JUICES, CANNING, CONFECTIONERY, DAIRIES, +++

Product list: (All products are either Food Grade or Pharmaceutical Grade)

Acids:

- Ascorbic Acid **This is Vitamin C,**
- Citric acid anhydrous **Citric acid is used in multiple industries with one of the biggest being the beverage market. Depending on the client's recipe they will use either anhydrous or monohydrate. Monohydrate being the cheaper option, this is the more commonly use product**
- Citric acid monohydrate,
- Malic acid **more expensive alternative to Citric acid. Ordered against client commitment**
- Sodium Citrate (Trisodium Citrate) **commonly used in the production of cooldrinks.**

Cocoa Powders:

- Various colour options and various specifications **we have a large range of cocoa products available to us. This covers various colours ranging from Red to brown to black cocoas. There are also different ph values, making some cocoas perfect for a particular application, while others may be better suited to other products. Due to the complexity of this product, we order against a client's commitment.**
-

Flavour Enhancers: (Savoury Flavours)

- I + G Ribotide **This is a flavour enhancer for savoury flavours, this is a 3rd generation product**
- MSG 80 Mesh (Monosodium Gluconate Crystal) – **This also a flavour enhancer for savoury flavours, this is a 2nd generation product and much cheaper than I+G. This option is the Crystal and usually used in the manufacturing process where all the ingredients are dissolved in the client's factory. Stock item.**
- MSG 100 Mesh (Monosodium Gluconate Powder) – **Powdered version of the above product. Usually preferred for clients who manufacture spice packs / batch packs for meat processors, etc. Stock item.**
- Nature Enrich (4th generation flavour enhancer) – **4th generation flavour enhancer. Ordered on client request.**
- Yeast Extracts (Various options) – **Various options available, this is also used in Savoury applications. Ordered for a client based on their technical requirement.**

- Sodium Lactate **Ordered on request**
- Skim Milk Powder **Stock item**
- Sodium Caseinate **Ordered on request**
- Whey Powder (Sweet Whey) **Stock item**
- Whey Powder (Demineralised) **Ordered on request**

Oils and Fats (Vegetable):

- Various options available **Ordered on request**

Phosphates: **Various applications and industries.**

- Calcium Acid Pyrophosphate (CAPP) **Ordered on request**
- Dicalcium Phosphate (DCP) **Ordered on request**
- Dipotassium Phosphate (DKP) **Ordered on request**
- Disodium Phosphate (DSP) **Ordered on request**
- Monocalcium Phosphate (MCP) **Ordered on request**
- Monopotassium Phosphate (MKP) **Ordered on request**
- Monosodium Phosphate (MSP) **Ordered on request**
- Potassium Polymetaphosphate (KMP) **Ordered on request**
- Potassium Tripolyphosphate (KTPP) **Ordered on request**
- Sodium Acid Pyrophosphate (SAPP) **Ordered on request**
- Sodium Aluminium Phosphate (SALP) **Ordered on request**
- Sodium Hexametaphosphate (SHMP) **Ordered on request**
- Sodium Trimetaphosphate (STMP) **Ordered on request**
- Sodium Tripolyphosphate (STPP) **Stock item**
- Tetrapotassium Pyrophosphate (TKPP) **Ordered on request**
- Tetrasodium Phosphate (TSPP) **Ordered on request**
- Tricalcium Phosphate (TCP) **Ordered on request**
- Tripotassium Phosphate (TKP) **Ordered on request**
- Trisodium Acid Pyrophosphate (TSAPP) **Ordered on request**
- Trisodium Phosphate (TSP) **Ordered on request**

Preservatives:

- Potassium Sorbate **Stock Item Used in Cooldrinks and baking products**
- Sodium Benzoate **Stock Item Used in Cooldrinks**
- Acid Propionate and Calcium Propionate – **order on request – additive to sports drinks, baked goods and bread to prevent Mold and mildew forming**

Proteins: **Sports Nutrition and Health products.**

- Milk Protein Concentrate **Ordered on request**
- Pea Protein **Ordered on request**
- Soya Protein Isolate (Meat Grade – Emulsification) **Stock item**
- Soya Protein Isolate (Meat Grade – Gelling) **Ordered on request**
- Soya Protein Isolate (Sports Nutrition Grade) **Stock item**
- Whey Protein Concentrate **Ordered on request**
- Whey Protein Isolate **Ordered on request**
